<b>TOTAL GRANT</b>	<b>£18000</b>		<b>£17,712</b>

## Sports Premium Grant Expenditure September 2020- August 2021

### Measuring the impact of the Sports Premium Funding April 2020 - July 2021

- More children engaging with games/equipment under adult supervision. Children now take part in a range of activities at lunchtime including football, basketball, skipping, large construction, frisbee, hoopla and are enjoying the new climbing frame.
- CPD for staff. **There has been no P.E. CPD available this academic year due to COVID.**
- Increased pupil participation in competitions. We have taken part in the Y5/6 and Y3/4 girls and boys football competitions this year. All other competition has been virtual; every child in school has completed the cross country and sportshall athletics competitions, and all KS2 children took part in the cricket competition.
- Specialist swimming teacher support. Non-swimmers in years 3, 4, 5 & 6 have benefitted from being taught by a specialist swimming teacher this year for 10 weeks.

### Measuring the impact of the Sports Premium Funding April 2019 - July 2020

- Improved knowledge, skills and confidence within teaching and support staff following CPD and staff meetings around dance, tag rugby and football. **More needed – esp KS2**
- Ensure provision for NQT support and development from external CPD and in house training. **NQT training attended- check for further 'new' teachers training.**
- Monitor participation in sports events, ensuring a wide range of participation and inclusivity for SEND. **Ongoing**
- Increase girls' enjoyment and participation of physical activity. **Ongoing.**
- Monitor the impact extra-curricular activities are having on pupil enjoyment and participation in physical activities. **Ongoing**
